

IB GEARCATALOG

WELCOME TO THE IB GEAR CATALOG!

In this catalog you have access to many items and tools you can use for rewards, gifts, motivation and quite frankly making you look good! We have taken the time to review, test and try these items for fit, wear and style. This is the latest compilation of gear to make sure you and your crew can have the best available.

Gear Details.

This catalog contains items that are grouped into 2 categories for use:
IB Brand | Co-Brand

With these categories, we are trying to make ordering and decorating easy for all parties. As much as we would like to customize anything in here your way - we are limited to our suppliers and decorating guidelines for each garment or tool. If you see an item and want it decorated different - we can try to accommodate as best as possible. Please note ANY variations from the categories provided will result in additional cost or fees to complete.

Sizing Notes.

All polo shirts fit generally to size. If you are looking for a slim fit - a one-size down may work best. The selected dress shirts fit to size. T-Shirts for IB only have a slight tailor to them and are soft, light-weight cotton or blend. Safety T-s are standard fit.

BRANDING POSITIONS

IB IB Branded

For IB only branded gear - this designates that ONLY an IB logo can appear or be used on the item as it appears in the catalog.

CO Co_Branded

For Co-branded items the IB brand will be placed in a secondary position (varies piece to piece) and your logo will appear in the PRIMARY position - see above for general definition. ONLY in some cases can we change or deviate from the designated Primary location for your logo

Typical Primary Position
Typical Secondary Position

Womens Items

Where designated - there is a womens' version available of each gear item not pictured and tailored for women. Please use the part number for each item when ordering designating the womens version.

THE FINE PRINT _ PLEASE READ HERE.

Co-Branded

In order to provide you with the best quality products and reproduction of your logo, you will need to send us your logo in a vector format in 1 color. If you need your artwork converted to meet the silkscreen or embroidery process, a one time art and set up fee of \$150 will be required. Please contact customer support at Marketing@IBroof.com or call us to help you get the items the way you need them.

Timing

All items ordered will require a minimum of 2 weeks for processing and additional time for delivery depending on location and time of year. We will do everything we can to help your items in a timely and error free fashion.

Speaking of **ERROR FREE** - IB marketing requires approval of all art supplied as well as proofs approved prior to printing or incurring costs. Because we have art on file in many cases - some clients change their logo and do not remember to update art with IB.
