Deduct up to \$1 million/2020 tax year

*Consult with a certified tax specialist now for more details, and to verify the deduction limitations and qualification of your building*

The sweeping tax reform passed by Congress creates an unprecedented opportunity for commercial property owners to upgrade their roofing systems while potentially deducting up to **100%** of the cost from their taxes!

Previously limited to depreciated value deductions over a prolonged period of time, new roof investments have now been included in the tax code Section 179 expansion as a qualified real property deduction.
